Subject: All Science Symposium - CALL FOR ABSTRACTS

The 32nd Annual Science Student Research Symposium will be held on **Wednesday, April 12, 2017** in the **HUB Social Hall from 4:30 to 6:00 pm**. This event will feature student poster presentations and we strongly encourage all students who would like to present their research to make a poster. Light refreshments will be served.

***** Poster Information*****

If you are printing a new poster for this day, the recommended poster size is **36" (H) X 44" (W)** so it will fit on the large poster foam boards we provide. If you need access to an electrical outlet or any other special requests, please include this information when you submit your abstract. If you do not include special requests with your abstract, we cannot guarantee that your needs will be met. Consult with your faculty mentor regarding payment for the cost of printing your poster. You will need to submit a "print request form" (attached) along with a PDF of your poster to the Print Center by Friday, April 7, 4:00 p.m. to ensure your poster is ready for the symposium. *Note: Posters submitted after this date may incur a RUSH FEE.*

Abstracts will be listed in the printed brochure in the order they are received.

Please provide Janice Wiss (wissj@dickinson.edu) with the following information **no later than Wednesday, April 5**, if you would like to present a poster:

- 1. name of student presenting, major and graduation year**
- 2. full title of presentation**
- 3. name of faculty mentor (if any)**
- 4. short abstract of the research (250 words or less)**
- 5. special requests or accommodations (if any)**

Thank You!
The Science Executive Committee
